# EASYBINDER 85

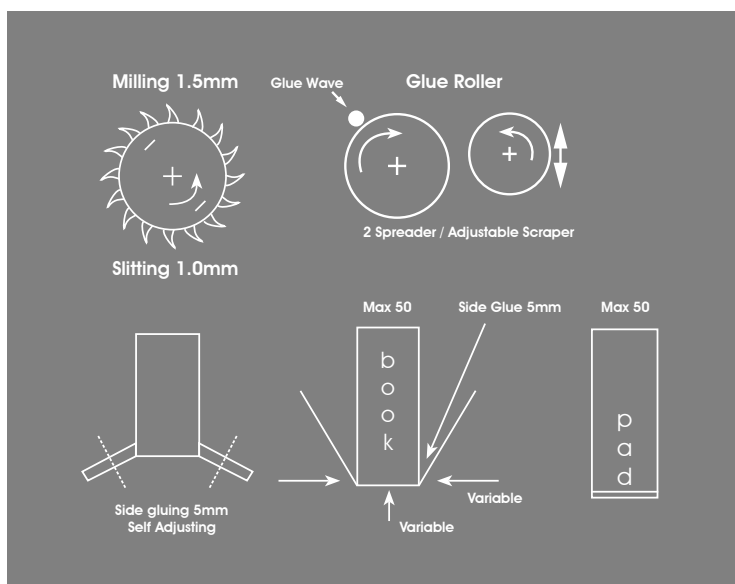

***A NEW LEVEL OF BINDING CAPABILITY FOR DIGITAL BINDERIES***

## KEY FEATURES

- Will bind nearly every kind of digitally printed paper
- Can use the modern Pur-Eva glues like” Planamelt”
- Book block tray with 2 height settings using a spacer plate for different milling depths
- Self centring auto clamping of the block to 50 mm
- Gluing/ binding spine length from 10 cm to 44 cm
- Real milling of 1,5 mm and additional riving knives
- Integrated high power chip extractor with chip collection bag
- Dust brush for after the milling to remove hanging on fibre
- 2 glue pot system with variable temp to 180 deg
- First pot is for side gluing with driven angled wheels with fast setting glue to let the cover set tight on the book
- Second pot is with a slower setting glue to penetrate and set into the exposed fiber and grip solidly
- 2 glue rollers
- Nr 1 applicator roller with glue wave
- Nr 2 reverse spreader / scraper
- Adjustable tank height
- Automatic setting centred book cover press for skew free even pressure on both sides
- Adjustable side and dorsal pressure
- Adjustable clamping and book holding time
- Function for gluing blocks without using the cover press
- Smallest floor space requirement of any automatic binder
- Full mechanical cycle in about 4 seconds ( plus loading/ unloading time)
- Fully warranted and full parts stock in the EU

## DIMENSIONS

Width : 220mm

Depth : 800mm

Height : 1600mm

Weight : 220 kg

Power Supply : AC220V/50HZ
